

INSTRUCTION SHEET FOR PLACEMENT OF STATE CHAMPIONSHIP AND CLUB SPONSOR BANNERS AND DECALS

To meet the requirements of the 2020 NSW Sports Sedan Championship Sporting Regulations and provide the proper recognition of our Major Sponsor, Round Sponsors and Club Sponsors please follow this Instruction Sheet when placing the banners and decals onto your car. All necessary stickers and banners have been supplied in your 2020 sticker pack.

Failure to comply entirely with the directions in this Instruction Sheet in relation to placement of sponsor banners and decals will result in a loss of State Championship and Club Championship points.

Please also use the photos on the reverse side of this sheet as an aid to the correct placement of decals.

Major Sponsor – Kumho Tyre

It is a requirement of our contract with our major sponsor that cars are presented in a uniform manner for all State Championship rounds. Placement and the location of the major sponsor banners and stickers is therefore compulsory.

Windscreen banner: The windscreen banner must be placed on the top portion of the front windscreen only. Note it is no longer permissible to place the banner on the roof or another location on your car. *If necessary extra banners can be supplied if you compete in another event/series and need to remove the Kumho Tyre banner between State Championship rounds.*

Side decals: The two Kumho side decals are for placement above the race numbers on each side of your car. Where this is not physically possible due to size limitations it is permitted to place the Kumho side decals below the race numbers on each side of the car only.

NSW Sports Sedans Decals

Placement and location of both the NSWSS logo and the website address decals is also compulsory.

NSWSS logo: Should be located at or as close as possible to the base of the A-pillar on both sides of the car.

Website address: Located on the top portion of the rear windscreen. Note that for uniformity of presentation all these decals are now white so if your website address decal is in another colour please replace it with the new one supplied in the sticker pack.

Round Sponsors and Club Sponsors

Round and Club Sponsors contribute significantly to our championship and our club both financially and with the provision of services.

All Round and Club Sponsor decals are free in location on your car, but must be placed in a visible position. 2 of each sponsor's decal is supplied in the sticker pack, however the minimum requirement is for 1 of each to be placed on the car (most people prefer to locate 2 stickers on the car for reasons of symmetry).

If you have any questions regarding the placement of the decals or require further decals, please contact me.

Regards,

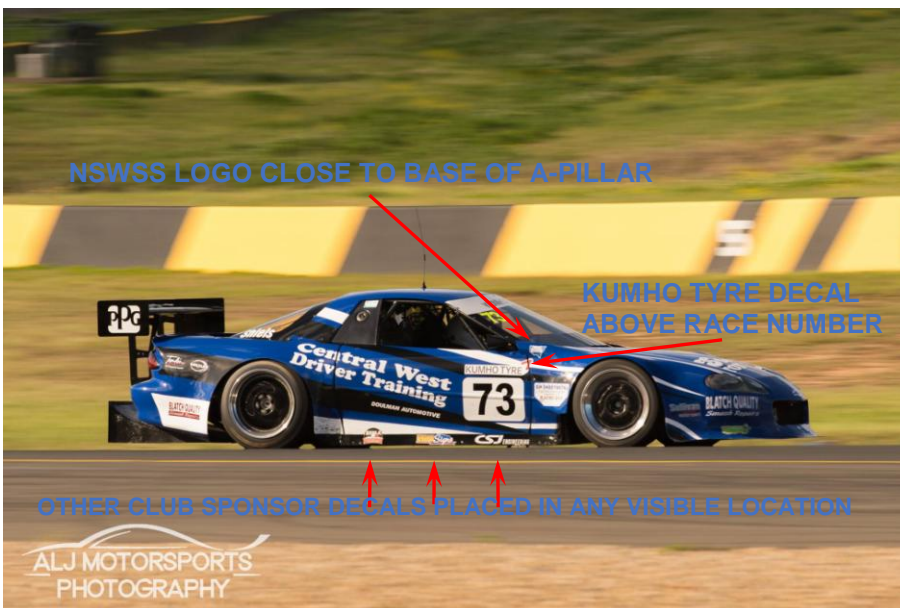

Andrew McKellar
